

A detailed illustration of a skeleton king seated on an ornate, dark throne. The king wears a crown with multiple points and a dark, textured robe. He holds a lit candle in his right hand. The background is dark and atmospheric, with a candelabra visible in the distance. The text "AVENGED SEVENFOLD" and "HAIL TO THE KING" is overlaid in a white, serif font.

# AVENGED SEVENFOLD

## HAIL TO THE KING

Watch your tongue or have it cut from your head  
Save your life by keeping whispers unsaid  
Children roam the streets now orphans of war  
Bodies hanging in the streets to adore

# Hail to the King, Hail to the One...

Royal flames will carve a path in chaos  
Bringing daylight to the night (night)  
Death is riding into town with armor  
They come to take all your rights
